

Iron Horse Vineyards 2000 Russian Cuvee Technical Data

Appellation: Sonoma County-Green Valley

Winemaker's Tasting Notes: Russian Cuvee commemorates the style of Sparkling we made for the historic Reagan-Gorbachev Summit Meetings, which ended the Cold War. It is the sweetest of our cuvees - right on the edge of Brut level dry and hits a perfect balance point. The higher dosage doesn't come across as sweet, per se, but makes the wine richer and more floral. It is delicious as an aperitif ... and can also be served with dessert.

Precision Farming: Precision farming is a fact-based wine growing philosophy that utilizes the latest technology - GIS/GPS mapping and CAD computer models - focusing on smaller and more tightly delineated vineyard blocks by soil type, aspect and elevation. All pruning, canopy management, irrigation, cover crop and harvesting decisions are determined on a block-by-block (and sometimes even vine-by-vine) basis, considering both the vintage at hand and the long term needs of the land. We use the best tools technology provides and up to date viticulture - balanced by our 30 years of experience and thriving passion.

Vineyard Specifics: The Pinot Noir for our Sparklings tend to come from the oldest vines in the cooler, low lying areas of the property where the fog settles, extending the length of time the grapes hang on the vine developing, great flavor and character. The Chardonnay for our Sparklings comes primarily from our Thomas Road Vineyard planted to a specific clone (Clone 4), which has the best berry size to make the most delicate juice with the most intense flavor and character.

Food Pairings: Russian Cuvee was originally designed as a toasting wine. It is exceptional with foie gras (for the same reason Sauterne goes with foie gras) as well as the sweet and sour tastes of many Asian dishes. A fabulous winter cocktail is Russian Cuvee with a handful of pomegranate seeds bobbing in the glass. It's so festive! For dessert, almond cake with strawberries and whipped cream, or anything to do with ginger.
